

AOGIN, SCCPS & OGSS invites to AOGIN Singapore 2016

- Refresher Course on Colposcopy
- Treatment of pre-invasive diseases and cancers
- Current & Future Cervical Screening Algorithms
- Future Cervical Testings & HPV vaccines
- Video Pelvic Surgery Workshop
- Workshop for Cytologists & Pathologists
- Cutting Edge Research Presentations
- Cervical Cancer Control Strategies

Register Today!

REGISTRATION FEES

Categories	Before 15 June 2016 'Kia-su' Rate	Till 30 June 2016 Early Bird Fee	From 1 July 2016 Regular Fee
Main Congress			
Delegate	S\$300	S\$375	S\$450
Researcher/Trainee	S\$200	S\$225	S\$250
Nurse	S\$200	S\$225	S\$250
Pre-congress Workshop			
Cytology / HPV Testing	S\$100	S\$125	S\$150
Pelvic Surgery (Video)	S\$100	S\$125	S\$150

Main Congress Registration Fee includes:

- Admission to scientific sessions
- Admission to industry satellite sessions
- Admission to trade exhibition
- Congress Meals
- Name badge

Pre-congress Workshop Registration Fee includes:

- Admission to selected workshop
- Workshop Meals
- Workshop course materials
- Name badge

PRE-CONGRESS WORKSHOPS: FRIDAY, 12 AUGUST 2016

Workshop 1: Cytology / HPV Testing	
Convenors: Annie CHEUNG, Hong Kong/ Siew Chin LIAN, Australia/ Philip IP, Hong Kong	
0800	Registration
0830	Welcome & Introduction
0840	LAST terminology and the use of p16
0910	Gastric-type Adenocarcinomas in the cervix and vagina
0940	Glandular lesions on cervical cytology
1010	An Update on Vulvar Intraepithelial Neoplasia
1040	Coffee Break
1100	Organized cervical cancer screening program by cytology in Thailand
1130	Gynaecologic cytology in the age of molecular testing
1200	hrHPV in HSIL and SqCa of cervix
1230	A new flow cytometry system for uterine cervical cancer screening
1300	Lunch
1400	The performance evaluation for the detections of HPV DNA targeted on L1 and E6, E6 mRNA, E6 protein and p16/Ki-67 on cervical cancer screening
1430	miR-143 targets as markers of cervical cancer
1500	HPV-related microRNAs in cervical pre-malignant lesions and cancer
1530	Coffee Break
Sharing of Interesting Cases - Pathologists and Gynaecologists from Singapore and Hong Kong	
1550	Nuclei acid and Cells: Yin and Yang
1615	CPC 1
1640	CPC 2
1705	End of Workshop

Workshop 2: Video Pelvic Surgery Workshop		
Convenors: Eng-Hseon TAY, Singapore / Rushdan M NOOR, Malaysia		
1130	Registration	
	Track 1	Track 2
	Teaching Videos with Commentary	
1200	Lunch Briefing & Self Evaluation	
1230	Pelvic Anatomy by Laparotomy & Laparoscopy	
1300	Incisions & Retractors	
1330	Closure techniques & Choice of Sutures	
1400	Preventing Complications: Ureter; Bladder; Bowels; Adhesions & DVT	
1430	THBSO by VideoLaparoscopy	
1500	Laparoscopic Complications: Bowel Injury & Uterine Rupture	
1530	How to overcome a difficult hysterectomy at laparotomy	
1600	Advanced Surgery - Screen 1	Advanced Surgery - Screen 2
	Difficult Laparoscopic Hysterectomy	Videlaparoscopic Appendisectomy and Omentectomy
1630	VideoLaparoscopic Total Hysterectomy	Videlaparoscopic Lymphadenectomy
1700	Post-Course Evaluation End of Workshop	

MAIN CONGRESS PROGRAMME

DAY 1: SATURDAY, 13 AUGUST 2016

0700	Breakfast
0730	Roche Breakfast Symposium
ASCCP Session	
0830	HPV Vaccination in the USA
0900	Controlling HPV-related diseases and Cervical Cancers
0930	ASCCP Cervical Cancer Screening Guidelines
1000	Free Discussion
1030	Break
IARC Session - Cervical Cancer Control Around the World	
0830	WHO & IARC's Position on the Control of HPV-related Diseases & Cervical Cancers
0850	Bhutan - the Land of Happiness' National HPV Vaccination programme
0910	Is the Epidemiology of HPV Infection in Asia different from the rest of the world ?
0930	How can Japan sustain a reduced incidence of cervical cancer long term ?
0950	VIA screening & HPV vaccination - is this the way forward for resource-constrained community ?
1010	Sum-up & Free Discussion : IARC's Future Plans & Programmes
1030	Break
Future of Cervical Cancer Prevention	
1100	HPV Vaccination - its evolution, achievements and future
1130	New Cervical Screening Tests
Opening	
1200	Presidential Lecture : Control of HPV-related diseases & Cervical Cancer in Asia-Oceania in the last 15 years
1230	Perspective Lecture : Cervical Cancer Prevention Beyond Medical Innovations
1300	View Posters & Exhibitions / Lunch
Current Clinical Issues Debated	
1430	hR-HPV Test Positive - Pap Negative : What should we do ?
1500	Therapeutic HPV Vaccine - Is It Clinically Useful ?
1530	A New Paradigm in Cervical Testing - Clinician-Directed Self-Screening
Biology of Cervical Carcinogenesis	
1430	Cervical metaplasia in the invariable transformation zone: the biological basis of cancer prevention
1450	Cervical cancer - HPV genotyping and beyond
1510	Epigenetics in cervical carcinogenesis: The window of new detection
1530	Stromal sex hormone receptors: The second culprit and the saviour
1550	Q&A
AOGIN's Presentation	
1600	AOGIN's Perspective Lecture - The Landscape of Future Genital Tract Infection & Neoplasia Control
1630	AOGIN's Position Paper on HPV Vaccination & Cervical Cancer Programme
1700	Refresher Break
1730	MSD Symposium and Reception
2000	End

DAY 2: SUNDAY, 14 AUGUST 2016

0730	Breakfast
0800	GSK Breakfast Symposium
Colposcopy Refresher Course	
I. Management of Preinvasive Disease	
0900	Treatment Update & Complications of Treatment
0930	Follow-up after Treatment of CIN - An Australian Perspective
II. Cervical Cancer Screening Guidelines Forum	
1000	Introduction of Screening Guidelines
1030	Panel Discussion
1100	III. Interactive Slide Session on Vulvar Diseases
1200	End
Cervical Cancer Treatment	
0900	Management of AGUS (pap) & Adenocarcinoma-In-Situ of the Cervix
0930	Role of Surgery in Bulky Early Stage Cervical Cancer & Bulky Nodal Disease
1000	Role of Adjuvant Chemotherapy for Cervical Cancer
1030	Targeted Therapy for the Management of Advanced Cervical Cancer
1100	Adjuvant Treatment for Nodes Negative Early Stage Cervical Cancer
1130	Risk Stratified Screening and Management for Cervical Cancer
1200	End
The India Forum: The Varied Spectrum of HPV disease burden and its Management in India	
1230	Overview of Cervical Cancer in India
1240	Progress in Implementation of Cervical Cancer Prevention Programmes at the Centre and in Various States - Panel Discussion
1320	Biomarkers in cervical screening
1330	Thermocoagulation in the management of CIN
1340	Minimally invasive surgery for cervical cancer
1350	Optimizing management of Ca vulva
1400	End
The Philippines Forum	
1230	Introduction
1240	The Burden of Cervical Cancer in the Philippines
1300	HPV Vaccine Acceptability in the Philippines
1320	Economic and Policy Implications of HPV Vaccination in the Philippines
1340	Cervical cancer Diagnosis and Management Cost in the Philippines and the Philhealth Z Package
1400	Closing & Announcement of AOGIN2018 Venue

CONGRESS MEALS

All main meals are provided to all participants during the congress.
